

10% Education Partner Master's Grant

Ready for the next level?

If you've been putting off graduate school for financial reasons or lack of time, today could be the start of pursuing new career opportunities. As an employee of a valued Education Partner of Colorado Technical University, we are offering you a 10% Master's Grant* to help with the cost of our Master's degree programs and the convenience of earning your degree completely online.

Even with a busy work schedule or other time-consuming commitments, CTU's award winning Virtual Campus can make a Master's degree viable – no matter where you live, work, or travel. Wherever you are, CTU is there.

- CTU's online Master's degree programs focus on specialization rather than generalization.
- All of our online Master's programs include resume-enhancing CTU Academic Certificates.
- CTU accepts eligible Master's degree candidates who have graduated with a Bachelor's degree from an accredited college without the requirement of taking GRE, GMAT, or other entrance exams.

Already started a Master's degree program at another university? Ask us how you can potentially shorten the time required to complete the CTU Master's degree program by up to 11 weeks, at a considerable financial advantage with eligible transfer credits. Please see our catalog for transfer details.

AWARD WINNING VIRTUAL CAMPUS

Colorado Technical University's innovative Virtual Campus connects you to a vibrant, interactive learning community without the constraints of rigid class schedules and traditional class structures. The CTU Virtual Campus received the 21st Century Achievement Award in the 2009 Computerworld Honors Program in the Education and Academia category.

Wherever you are, CTU is there

Inflexible class structures and inconvenient schedules are not the best option for many busy adults who would like to move up to a Master's degree. CTU understands that and does things differently to accommodate your busy lifestyle and the realities of the modern world we live in.

Colorado Technical University is the university of choice for over 32,000 career-motivated students, because we embrace new technologies that give you an unprecedented amount of freedom and flexibility to control how, when and where you study; interact with classmates and faculty; and earn your Master's degree.

Practically anything you can accomplish on a traditional university campus can be achieved through the Virtual Campus of Colorado Technical University. In fact, you may find it even more engaging.
